

LET'S **MOVE!**

Dear BTS "family",

"I just wanted to say thank you for another terrific experience at the Portland Summit. You guys continue to amaze me at your organization, professionalism and hard work at these events. I can not thank you enough for the inspiration and motivation you give me each and every time I attend.

The releases were fabulous! The Sales and Marketing Seminar as well as the POWER intensive were the best I have seen to date! Thank you for all of the hard work you put forth to bring us these wonderful educational and motivational experiences!"
